Arma 3: Apex Edition [1.94.145.977 DLCs] RePack [Full] ((HOT))

Backed by the creative expertise of Bohemia Interactive, Arma 3 Apex expands Arma 3's original single-player content with a brand new campaign, new multiplayer maps and a new game mode. Combat operations in Arma 3 Apex take place on the island of Tanoa and its large archipelago of over 600 islands. This is a hostile landscape, where an enemy will use every opportunity to attack you. Weapons are scarce, so be careful of your ammo supply and plan your moves carefully. Arma 3 Apex includes a brand new campaign featuring a fully voiced story line with emotional characters and a rich and dynamic gameplay. Explore the island's nooks and crannies and find a key to open a secure military compound that holds special secrets. Armed with grenades and machine guns, fight a bloody firefight with hundreds of enemy soldiers and massive 40 ton tanks. In Arma 3 Apex, it is not only the environment that is hostile, but also the enemies, as many will use all possible means to kill you. Take control of a variety of military vehicles, from tracked vehicles and tanks to boats and helicopters. Keep a lookout for enemy vehicles, as well as giant structures, such as wind turbines, with strategic importance in the gameplay. Whether you're after an exhilarating campaign or a dazzling multiplayer experience, Arma 3 Apex guarantees an exciting day. Feel the world through the eyes of an Arma military operator. Experience the adrenaline rush of combat and feel the satisfaction of a hard earned victory! In Arma 3 Apex, the path to victory is never the same. Use the light and dark sides of the island to your advantage. During night time, the island is full of shadows and obstacles, giving new opportunities for tactical gameplay.
