Archives Meta Social Icons Scalloped Biscuit Potatoes Thursday, August 3, 2017 — There's nothing more comforting than a warm baked potato, tossed in butter and sprinkled with cheese. I admit that I grew up on them. My mother whipped them up as often as she could have, especially when we were little and they were in season. These days, I do my best to make hers as close as possible to her version. I hope you enjoy these, and that you give them a try. I can guarantee that the next time you have baked potatoes, you'll be baking them instead of eating them plain! Directions: Preheat oven to 400 degrees F. Spray an 8 inch square baking dish with nonstick cooking spray. Press 1/4 cup of the shredded cheddar cheese into the bottom of the dish. Set aside. Place potato pieces on a cutting board or in a bowl, and using a fork, puncture the skin on all sides until you break the skin free and the potato pieces are in one piece. Scatter the remainder of the shredded cheddar cheese over the potato pieces, and then drizzle with 2 tablespoons of olive oil. Arrange the potato pieces over the cheese in a single layer, making sure that the potatoes are touching. Sprinkle with salt and pepper. Bake for 30 minutes, or until the cheese has melted and bubbled. Neatly arrange the potato pieces on a platter or board, and serve immediately. 13 Responses Hi there!
